Dear Brooke,

Congratulations on your new role! We are excited to meet with you on Tuesday. Some questions we have regarding the potential strike and UTLA negotiations are around our salaries since we follow the LAUSD pay scale.

1. If there is a salary increase would our salaries be increased as well?
2. Would there be retroactive compensation for the increase?
3. We all received an email requesting our transcripts. We are curious if there are any status updates on configuration of a new salary plan?

Have a great weekend,
The Teacher Collective
